

WORKSHOP

INSURANCE, CLIMATE, HEALTH, FINANCIAL STABILITY*

ROME, 21 JANUARY 2026

ORE 10.00 - 18.00

Via Sallustiana 62, Rome

IEEF will host the workshop “Insurance, Climate, Health, Financial Stability”, a focused and informal event showcasing cutting-edge empirical research from the GRINS and AGE-IT projects. The workshop will take place on **21 January 2026** at IEEF, Via Sallustiana 62, Rome, from 10,00 to 18,00.

The event will bring together leading scholars and experts to discuss recent advances on insurance demand, climate and demographic risks, household and firm behavior, and the role of insurers in enhancing societal resilience to risks and shocks.

Participants will have the opportunity to engage with ongoing research and exchange views on the evolving landscape of risk and insurance economics.

The **organizing committee** includes **Donatella Albano** (ANIA), **Monica Billio** (Università Ca' Foscari Venezia), **Agar Brugiavini** (Università Ca' Foscari Venezia), **Dario Focarelli** (ANIA), **Luigi Guiso** (IEEF & CEPR), and **Tullio Jappelli** (Università di Napoli Federico II & CEPR).

Program details to be announced soon.

SESSION 1A – Climate Risk, Prevention & Demand for NatCat Protection

SESSION 1B – Physical Risk, Credit Risk & Earthquake Insurance

SESSION 2 – Health, LTC, Ageing & Survival Expectations

SESSION 3 – Banks, Insurers, Systemic & Operational Risk

To attend the event, please register: riskevent@ania.it
